

College Hills!

During the dull times of the past eight months 110 LOTS HAVE BEEN SOLD at College Hills. The price paid for these 110 lots was

\$146,875.00

Some of these lots have been re-sold at an advance of from 25 to 60 per cent. No College Hills buyers are offering their lots at the original purchase price. Rapid Transit has made them intrinsically worth at least 25 per cent advance.

STILL FUMIGATING VESSELS.

The fumigating plant at the quarantine wharf has been busy today pumping sulphur into the various sailing vessels. The barkentine Archer was fumigated this morning, and the bark Santiago is to be fumigated this afternoon.

CHINA'S NEW CAPTAIN.

Captain Seabury will probably not be in command of the China when she arrives from San Francisco this trip, as he is thought to have gone to Newport News, Va. to take command of the Korea and bring that vessel out to San Francisco.

THE KAILANI ARRIVES.

The steamer Kailani arrived yesterday morning from Hawaii ports with sugar. She reports having seen the bark S. C. Allen becalmed off Molokai the day previous. Good weather on Hawaii is reported by the vessel. She took 50 head of cattle to the leper settlement.

MAUNA LOA SAILING POSTPONED.

The Mauna Loa will not sail on her regular run on time today but will depart tomorrow at noon. She has not discharged all of her sugar, as yet. The steamer Noeai is taking freight for Kailua, Napoosoo and Honoua and may be sent out today to those ports, as there is an unusually heavy consignment of freight for Maui and Hawaii ports.

BEHIND THE SCENES.

Some weeks ago a party of prominent Los Angeles society people were permitted behind the scenes between the acts of one of the Neill performances at the Burbank theatre and became deeply interested in the arranging of the stage settings. Mr. Neill is a most careful and particular man regarding his stage settings and is usually able to produce some marvellous and beautiful results on that particular evening was consequently so much time in the personal supervision of the arrangement of his "properties," as all things except the scenery used in stage scenes are called, that his society auditors in the wings became quite restless. The wife of a very prominent Eastern millionaire who was among the interested ones then said to him: "Mr. Neill, why are you so particular about your 'properties'?" Why is it necessary to have three potted plants over there instead of two? Why should there be three rows of Chinese lanterns strung across the stage so accurately, instead of two? Why should those slippers be at the right of the fireplace in that last act, instead of in front of it?" Considerably annoyed at this onslaught Mr. Neill replied: "Madam, as I have no talent, I must depend upon my properties for success."

CHARGED WITH ROLLING DRUNK.

Kaahue, a female of Hawaiian extraction was before Judge Wilcox Wednesday to answer to a charge of larceny in the second degree. J. Ramos charged her with abstracting \$28 in cash from his clothes, while he had jag on at Ewa. She was committed to the circuit court for trial.

ATTACKS SPENDTHRIFT ACT.

Attorney George A. Davis has made an appeal to the Supreme Court from the decision of Judge Humphreys, refusing to terminate the spendthrift trust of W. A. Hall. The spendthrift act is attacked as unconstitutional.

GERMAN POOR WILL SUFFER.

BERLIN, November 16.—All signs indicate that there will be much suffering among the working classes in Germany this Winter. The authorities of this city estimate that there are 35,000 unemployed persons in Berlin, and from all sections of the country come reports of people seeking work. Statistics show that an average of two persons inquired for every vacant job in October, and the number of unemployed has increased since then, several iron furnaces and other establishments having recently discharged men. The various German states have begun investigating the number of unemployed, preparatory to establishing relief works.

NEW AUTOMOBILE RECORD.

NEW YORK, November 16.—Henri Fournier, the French automobilist, established a new world's official record for one mile today, covering the distance in 51.45 seconds. The record was made on the straightaway course over the Coney Island boulevard, between Prospect Park and the ocean. This is the fastest official time for a mile not run on rails.

PEACHED ON THE HUBBYS.

PENDLETON, Or., November 16.—Papers are prepared, ready for filing, in a suit against a woman in Pendleton who has, it is alleged, written 29 letters to married women here, in which she tells them of actions of their husbands which she affirms she knows to have been committed, of questionable character. She makes a specialty of keeping tab on married men, while their wives are absent in the mountains or at the seashore, and reports their escapades alleged to have been indulged in during the summer months. One of the men who received a letter

instructed a prominent attorney to commence suit, and also asks that criminal prosecution be commenced against the author of the letters, under a statute that makes such offense punishable with imprisonment in the State Penitentiary. It is understood that proceedings are withheld for the time, but that the papers may be filed within a few days, unless there be a decision to the contrary.
